

## Project of LED Tunnel Lighting

Tunnel Light Before Ferry:

Length :1300m

Width: 11m

Speed: 80Km/h

Lamps :100w and140w tunnel light

Quantity: 600pcs

Mengyuan No.1 Tunnel Illumination Project in Xishuangbanna of Yunnan

Length of the Tunnel: 450 meters

Entrance Velocity of Bidirectional single Lane: 80Km/h

LED Sourcing: LED Tunnel Light

Power: 140W and 70W

Entrance Section: 140W

Intermediate Section: 70W

Exit Section: 140W

Quantity: 554 pieces

The total power cost is 34.7KW in LIGHTING ORIENT LED tunnel light project, which used to be 150KW in original Metal Halide Lamp project

Qi'xia Shibapan Tunnel Illumination Project in Yan'tai of Shandong

Length of the Tunnel:500 meters

Entrance Velocity of single Bidirectional Lane:40Km/h

LED Sourcing: LED Tunnel Light

Power: 140W and 70W

Entrance Section: 140W

Intermediate Section: 70W

Exit Section: 140W

Quantity: 360 pieces

30.7KW

The total power cost is 30.7KW in LIGHTING ORIENT LED tunnel light project, which used to be 140KW in original Metal Halide Lamp project.

ZhaXiaoTunnel Illumination Project in ShanXi

Length of the Tunnel: 1290 m

Entrance Velocity of Bidirectional single Lane: 80Km/h

LED Sourcing: LED Tunnel Light

Power: 140W and 70W

Entrance Section: 140W

Intermediate Section: 70W

Exit Section: 140W

Quantity: 1188 pieces

110KW

The total power cost is 110KW in LIGHTING ORIENT LED tunnel light project, which used to be 320KW in original Metal Halide Lamp project.

ChongQing City Tunnel

Length of the Tunnel:780m

Entrance Velocity of single Bidirectional Lane:40Km/h

LED Sourcing: LED Tunnel Light

Power: 140W and 70W

Entrance Section: 140W

Intermediate Section: 70W

Exit Section: 140W

Quantity: 320 pieces

The total power cost is 27.02KW in LIGHTING ORIENT LED tunnel light project, which used to be 100KW in original Metal Halide Lamp project.

East tunnel Illumination Project in YanTai City

Length of the Tunnel:350m

Entrance Velocity of single Bidirectional Lane:60Km/h

LED Sourcing: LED Tunnel Light

Power: 140W and 70W

Entrance Section: 140W

Intermediate Section: 70W

Exit Section: 140W

Quantity: 300 pieces

The total power cost is 25KW in LIGHTING ORIENT LED tunnel light project, which used to be85KW in original Metal Halide Lamp project.
